MIGHT'S 1961 COMBINED WINDSOR

(Including REMINGTON PARK, RIVERSIDE, and most of SANDWICH EAST
and SANDWICH WEST TOWNSHIPS)

STREET, HOUSEHOLDERS and BUSINESS GUIDE and HOME OWNERSHIP OR TENANCY DIRECTORY

STREETS ARE ARRANGED IN ALPHABETICAL ORDER SHOWING:

- 1.—Location and description of each street.
- 2.—Points on each street where other streets cross.
- 3.—Name of the occupant at each number on every street listed.
- 4.—Whether occupant at each number is the Owner or Tenant.
- 5.—Telephone number, where obtainable, at each address.

The Profession, Line of Business, etc., of individuals and firms is shown in this section opposite their respective places of business. To find the occupation of householders please refer to the white page alphabetical list of names.

The Symbol (*) following the residence number, indicates that to the best of our knowledge someone living in the house is the owner.

A dash (—) after a residence or building number indicates that the occupants were absent at the time of our enumerator's call and therefore information for this address was unobtainable.

"Vacant" buildings are so designated.

Telephone numbers, as supplied to us on our enumeration, are shown opposite names.
